

Bmprs Chairman message

I trust that you are all keeping warm and well !

I'm going to keep this brief .

The past few years have been rather poor for the model boating world due to covid etc .Whilst some clubs returned to racing last year I have refrained from holding meetings for fear of members becoming ill from catching Covid.

Its looking like times are getting back to normal now so I feel that we should return to the lakes also. In 2023 I plan on organising 4 meetings, I am still to confirm 100% with the venues but this will be done in January !

If you are interested in coming to a meeting, then please keep your eye on the website and we will be emailing you all with more info also.

I would like to wish you all a happy Christmas and a fantastic New Year from all of us at Bmprs

Regards

Mark
